

VITICULTURE · CLOUD-BASED · UK VINEYARDS

Your vineyard. *Audit-ready.*

Replace paper diaries, folders and filing cabinets with one secure cloud record — vine register, spray logs, harvest data and excise duty, audit-ready the moment your certifier needs them.

- Vine register & phenology log
- Harvest & must chemistry records
- Winery cellar & batch trail
- Excise & duty management
- Spray & disease scouting diary
- PDO & PGI designation records
- Organic viticulture compliance
- **Eliminates all paper diaries & records**

Full farm platform included

Red Tractor
